Petitions to Intervene to Become a Formal Party

Only formal parties (Applicant, Staff, or Intervenors) may present evidence and cross-examine witnesses at the Evidentiary Hearing. The Energy Commission's Presiding Member's Proposed Decision (PMPD) on the **BEACON SOLAR ENERGY PROJECT** will be based solely upon the official evidentiary record developed at the Evidentiary Hearing.

Anyone with an appropriate interest in the **BEACON SOLAR ENERGY PROJECT** may file a Petition to Intervene and become a formal party. At the Evidentiary Hearing, the formal parties may offer testimony and documentary evidence, receive documents filed by other parties, and cross-examine witnesses. However, a formal party must also comply with all Committee orders, procedures, and filing requirements, and is subject to discovery and having its own witnesses cross-examined by other parties.

To facilitate the participation of all parties at the Prehearing Conference, and allow for an orderly and efficient Evidentiary Hearing, **the deadline to file a Petition to Intervene in this case is 3:00 p.m., Thursday, November 5, 2009.** (Cal. Code Regs., tit. 20 § 1203(f).) Time extensions will not be granted for new Intervenors to review case materials since this proceeding has been ongoing since May 7, 2008.
